

HOW TO ORDER A PRODUCT FROM US?

To order a product you should contact one of our representatives listed below.

If your country is not on the list you will be served directly by the factory in Poland.

To order a product you should start by filling out the forms available on this website per each product line.

ONLY PROPERLY FILLED ORDER FORM GUARANTEES THAT YOU WILL GET EXACTLY WHAT YOU ORDER WITH ALL THE OPTIONS.

We may require a small downpayment and then WE REQUIRE A FULL PAYMENT ONLY WHEN THE PRODUCT IS PACKED AND READY TO SHIP.

We ship the products mainly by UPS or DHL, which are our forwarding partner of choice. That means you get the goods usually within 48 hours and intact. In the countries with customs duties from EU the delivery time is prolonged by the time of customs procedure. Our packing is second to none because it is based on several hundreds of shipments we made so far.
