As standard, free	not available	optional, extra											

Amber-4	Baltic3	Atlantic	Big7-MK2	GG2	Pacific	Horizon
Amber-4	Exposed tubes. All units balanced. More punch, more fun, more spooky (realistic) events. Stage width. More tube rolling options (local ESNT7 plus others with adapters)	Higher output impedance, higher purity, higher realism, timbre refinement, with NOS tubes can punch way above it's weight				
Baltic3		More refinement in timbre and color, natural purity	Less punch, more timbre and color, scary reality, more refinement, liquid, flowing sound.			
Atlantic			More refinement, bigger chassis, tube rolling in the DHT domain not pentodes, scary reality			
Big7-MK2				More mature design, more tube rolling options, more refinement due to better caps, better tubes as standard, flight case as standard, exquisite copper chassis, 5 tube families of heaters		
GG2					Bigger (taller) chassis, more punch, more detail, better frequency extremes, a bit colder, more neutral, less tubey, better digital engine = more resolution, better built soundstage. Better display. Better fun factor. Better tubes as standard.	
Pacific						Deeper Bass, wider soundstage, deeper soundstage, more natural voices, more credible soundstage, lecc colourations, more quiet background, more legible details.

2022 Q2	LampizatOr Price List ANALOG PRODUCTS	All prices are in Euro Price list applicable to individual orders placed after March 20 2022 or dealer orders placed after April 01 2022, till further notice.	All prices are excluding VAT as applicable in Eu countries	Polish price in Polish Zloty, including VAT
<b>AMPLIFIERS</b>				
	Amber Amp 2 (Power DAC)	New model 2022 Power amplifier with built in DAC. USB input, SPDIF, analog XLR balanced inputs (bypassing the DAC), SE inputs, fully balanced topology, Pentode output stage balanced push pull without phase splitter, Pentodes in ultralinear mode, EL84, 10 WPC. Big 7 chassis. Tubes exposed. Headphone output.	7 000 €	40 898 PLN
	GM70 SET mono block pair	SE, 8/4 OHm, 23 WPC, Single ended, XLR inputs optional, 300B driver	14 000 €	81 795 PLN
	211 SET mono block pair	SE, 8/4 OHm, 20 WPC, Single ended, XLR inputs optional, 300B driver	12 000 €	70 110 PLN
<b>new</b>	845 SET mono block pair	SE, 8/4 OHm, 20 WPC, Single ended, XLR inputs optional, 300B driver	12 000 €	70 110 PLN
	211 Pacific Amp Mono	211 Balanced configuration, 40 WPC, Pacific Chassis, 40 WPC, 300B drivers	18 000 €	105 165 PLN
<b>NEW</b>	Metamorphosis Mono Hybrid	A hybrid amp with tube input, solid state output, mono chassis, 350 W per channel @8 Ohms. price per pair	12 000 €	70 110 PLN
<b>AC Power Filter</b>				
	Silk filter for AC cleaning of RFI	4 x Outlet (Shuko or UK or USA style) two WBT speaker terminals with ground bar.	1 200 €	7 011 PLN
		Upgrade inlet socket from IEC to Furutech 25A Fi-33 style	150 €	876 PLN
	Silver Silk	All silver version of the SILK with all caps (6) being Mundorf Silver and all wiring (8m of solid core) being pure 99,97 silver, WBT speaker terminal with silver ground bar.	2 000 €	11 685 PLN
		Upgrade inlet socket from IEC to Furutech 25A Fi-33 style for Silver SILK	150 €	876 PLN
	The Kraftwerk 8	Eight independent filter block. Pacific chassis. 8 x 1000 Watts, max 3500 Watts total	2 600 €	15 191 PLN
<b>Preamplifiers</b>				
<b>NEW</b>	Ultimate Passive SE/BAL	with 2x16 LCD display, Remote control, 64 steps precision resistor ladder, 4 RCA or XLR pair inputs, XLR and RCA outputs WBT, silver wiring, Amber 2 chassis, TRUE ONE RESISTOR PER STEP/ONE RELAY PER STEP, Ultra high end solution, balanced and SE. This is the highest level of passive volume in the world.	4 000 €	23 370 PLN
<b>NEW</b>	Reference Active Preamplifier	As above but with new balanced tube stage and big chassis. Noval tubes. True Copper Lampizator capacitors or equivalent. Tubes inside chassis. BASED ON VINYL PHONO MC1 design but without RIAA. Remote control, memory of settings, display, muting, 64 steps resistor ladder discrete configuration, 4 RCA or XLR pair inputs, XLR and RCA outputs, sockets from WBT, silver wiring, Golden Gate-like chassis size and style	6 600 €	38 561 PLN
<b>NEW</b>	Horizon Preamplifier	Ultimate tube stage based on the new Horizon DAC. Octal tubes. True Copper Lampizator capacitors or equivalent. Tubes outside chassis. Remote control, memory of settings, nixie display, muting, 64 steps resistor ladder discrete configuration. 3 RCA + one XLR pair inputs, XLR and RCA outputs, sockets from WBT, silver wiring.	20 000 €	116 850 PLN
<b>PHONO VINYL PRODUCTS</b>				
	<b>ANALOG</b>			
	Vinyl Phono MC1	Discontinued	6 600 €	38 561 PLN
	SLVER MC1	Discontinued	9 900 €	57 841 PLN
	Vinyl Phono MM1	Discontinued	4 600 €	26 876 PLN
	Vinyl Phono MM2	An entry level MM only phono stage - with solid state power supply and the same output circuit as MM1. Smaller chassis like Amber3 DAC.	3 900 €	22 786 PLN
	Vinyl Phono MC2	MC2 Rev 1,4 is sonically better than predecessor MC1 and MC2 Revisions 1.0, 1.1, 1.2, 1.3 with the additional comfort features: 3 inputs for 3 arms of which one is MM. SE and Balanced outputs, cartridge loading switchable on the fly. Arms switchable on the fly	6 600 €	38 561 PLN
		MC2 with 2 MC inputs	1 000 €	5 843 PLN
		MC2 with additional one MM input	1 000 €	5 843 PLN
		MC2 with balanced outputs as well as RCA single ended	1 000 €	5 843 PLN
		Copper top	500 €	2 921 PLN
	SILVER MC2	Silver version of MC2. The signal transformer is wound with pure silver wire. Copper capacitors are used in signal path. Flight case. Wood sub chassis base frame. Copper top, NOS tubes. WBT sockets Price additional to base MC2 product	4 000 €	23 370 PLN
	Vinyl Phono SUT-A	Amorphous core, monocrystal copper wire - step up transformer, stereo, 2 inputs xlr or rca, 1 output, xlr or rca, nixie display, 5 cartridge load resistors switchable, 2 arms MC, "amber DAC" chassis.	1 990 €	11 627 PLN
	SILVER SUT-A	Silver version of SUT-A. The signal transformer is wound with pure silver wire.	4 900 €	28 628 PLN
	SUT-A-B	Balanced version of SUT-A. User defines Bal inputs, bal outputs or both.	2 500 €	14 606 PLN
	SUT A-B-SILVER	Silver version of SUT-A-B. The signal transformer is wound with pure silver wire.	5 400 €	31 550 PLN
<b>STREAMER / NAS /KOMPUTER</b>				
	GulfStream	This server is multi user, multi source, fully networkable, multi thread, multi format machine.		
		See specification elsewhere in the web page. Fully working plug and play machine equipped with: server Lampizator Big style chassis custom design fully linear Lampizator PSU built-in high spec full size professional server motherboard with Intel XEON socket XEON 8-core 16GB RAM DDR4 PRO SERIES Photo CF card with Linux OS 1 TB internal SSD for music file storage (optionally any drive without limits) SPDIF output USB audiophile output HDMI output for optional monitor or TV Preconfigured Linux LampizatOr Core Mode OS with playback system With ROON user interface, TIDAL ready compatible, Qobuz Ready and compatible, DSD 512x conversion by Roon Player of Tidal material on the fly (ROON , Qobuz and TIDAL licences NOT included in the price, at the owner's discretion)	6 900 €	40 313 PLN
<b>SPEAKERS</b>				
				0 PLN

	PAIR OF HIGH END SPEAKERS PROJECT P17	THE DESIGN IS OUR FAMOUS LUKASZ FIKUS / KINGSTON KITCHEN PROJECT , based on 30 prototypes built from 1990 - 2000. The main characteristics of these unique speakers: Three way, three driver, one driver per way full frequency spectrum - no compromise = from 28 to 30kHz Open baffle principle, with optimal height for each driver Driver longevity principle - without ANY synthetic parts, no rubber, no foam, nothing to deteriorate, cloth suspensions, impregnated and damped. High end crossovers, without electrolytes, using parts personally selected by Lukasz Fikus No crossing in critical area of midrange (like two ways do), XO frequencies 500 and 7000 Hz, most of the range is covered by ONE BROADBAND fullrange driver. 18 inch bass.	9 000 €	52 583 PLN
<b>SPEAKERS</b>				
	PAIR OF HIGH END SPEAKERS PROJECT P32	This is a new narrower version of P17, making it more <i>"living room friendly"</i> and elegant looking. The main characteristics of these unique speakers: Three way, three driver, one driver per way full frequency spectrum - no compromise = from 30 to 30kHz Open baffle principle, with optimal height for each driver Driver longevity principle - without ANY synthetic parts, no rubber, no foam, no thing to deteriorate, cloth suspensions, impregnated and damped. High end crossovers, without electrolytes, using parts personally selected by Lukasz Fikus No crossing in critical area of midrange (like two ways do), XO frequencies 500 and 7000 Hz, most of the range is covered by ONE BROADBAND fullrange driver. RAAL dipole ribbon tweeter and Sonido bass and Sonido midrange / fullrange. 12 inch bass.	9 000 €	52 583 PLN
<b>Custom color on speakers</b>			1 000 €	5 843 PLN
<b>Custom wood veneer</b>			2 000 €	11 685 PLN
<b>Piano Black finish</b>			2 000 €	11 685 PLN

# LAMPIZATOR

	LAMPIZATOR Terms Of Trade	2022 Q1
<b>Direct sales and orders</b>	Anybody from the country where we have no representative can order factory-direct from us. Current list of dealers and representatives is always listed on our website. The only price we offer is always the list price from current pricelist.	
<b>Dealer sales and orders</b>	If we have a representative in your country, you can order from the Dealer. The price is the same and Dealers have NO RIGHT TO CHARGE MORE THAN LIST PRICE except adding cost of transportation (we use exclusively DHL or UPS air shipments) and adding local sales tax or VAT. We export outside of European Union without Polish VAT added. The Dealer will provide local pre and post - sale support, including upgrades, trade-in, repairs, etc only for products sold through his company. Buying locally makes sens.	
<b>Payments</b>	We accept the payments in form of bank transfer to our Euro account, US Dollar account or Polish Zloty account. Paypal (in Euro or USD or GBP or CAN\$ or PLN) or by credit card. For Paypal / Credit we add fee of 2,9%. In case of the refund, the Paypal fee is also fully refunded.	
<b>Warranty</b>	Our products carry a 5 years warranty which is transferrable without limits. Manufacturing date is on the serial number plate represented by a month/year digits (like May 2018 is 518.). Tubes are not covered by the warranty. We maximize our efforts and expenditure to assure best tubes to be supplied together with our products but the warranty is limited to one week after purchase. Normal tube life which we consider reasonable is 5 years, sometimes it even exceeds 20 years or more. However the very nature of vacuum tubes is such that they may fail any at time. We design our equipment in such way that the tubes fail safely. No damage to the product itself, to other tubes, to other gear or to the user is occuring after the tube failure. It is enough just to replace the tube after a failure.	
	The warranty does cover shipping the goods back to the user but it does not cover shipping from the user to the factory. The warranty will be void if the product has been open without permit, tinkered with, modified, altered or upgraded without written permit.	
<b>Trade In rules</b>	We believe in upgrade path hence we offer a policy of TRADE IN. You can trade in our product when ordering NEW product. We offer the following terms: Customer pays shipping and custom duties if any - for traded in old products. We offer price list value of traded in goods minus: 1% per month. If you work through the dealer, he MUST respect the same policy as ours. It does not matter where the goods was purchased and by whom. Any original Lampizator products will be respectfully traded in. If in doubt please send the serial number and your question to the factory.	
<b>Test and refund</b>	Customer / End User has 7 days from the day of delivery to test the product and return it for a full refund minus shipping cost incurred by the seller. After 7 days the sale is final. The refund will NOT be granted if the seal is broken or the product has been altered or tinkered with. The product must be shipped in original packing and with tubes secured in the same way as when shipped to the customer.	
	Refund will be transferred the same way as it was received and it will be transferred up to 7 days from receiving the complete goods back.	
<b>Shipping</b>	We ship the goods only after 100% of price and shipping cost has cleared in our account. We choose shipping company unless otherwise agreed.	
<b>CE compliance</b>	All goods sold on EU territory are CE compliant according to our Declaration Of Conformity. The goods made as custom order per individual customer specification and for a known specific person do not fall under general rules of household appliance CE compliance.	
<b>VAT</b>	VAT of 23% is applied to all goods and services sold within EU. All other markets are served without VAT. EU businesses can order with zero VAT if their VAT number is provided in advance.	

<b>SHIPPING</b>	Rough calculation - DHL or UPS shipping	Overnight in Europe and USA, 2 days rest of the world. Customs procedures in your country may delay delivery by a day or two.
	All prices are guaranteed till further notice	
	VAT23% is applicable in Poland and local VAT is added for the EU customers	
	Zero VAT for exports outside of EU	
	Hand Made product prices and specs are negotiable	
	All products are shipped with full invoice.	
	All products are covered with 5 year transferrable warranty (excluding tubes)	
<b>WORLDWIDE</b>	Our price list is worldwide and valid in all countries.	Nobody, and that includes also dealers and distributors, should ask more than price list, plus shipping cost and applicable customs, duties and sales tax.
<b>SECOND HAND</b>	We offer Factory Refurbished products (depending on availability of traded-in older DACs) Second hand products are sold directly, without a dealer in between.	Refurbished products are factory rebuilt, retubed, callibrated, tested, with new 3 years warranty.
<b>LEVEL UPGRADE</b>	It is our policy that the level can be upgraded to a higher one for the nominal price-list difference. For used gear we apply 1% per month depreciation rate. I.e.g. we will buy back a trade in product which is 3 years old for 36% off list price.	We trade-in old DAC for the Level Upgrade. This offer is valid for 3 years from manufacturing date.
		<b>All product prices exclude shipping.</b>
